

FIESTA ISLAND GENERAL DEVELOPMENT PLAN

Existing Parking

I've never had a problem parking unlike the beaches. Don't ruin it. If it ain't broke don't fix it.

Please move parking away from the water

Parking= no problem

Parking on side away from water

Plenty of parking for current usage

Fiesta Island Weekday Parking Summary

Parking Area	Parking Spaces*	Parking Spaces Used	Parking Utilization	Comments
1	65 - 80	20	25% - 31%	Many bikers/runners park in this lot. Could fit 2 rows of parallel cars down middle of lot
2	200 - 450	39	9% - 20%	Parking areas vary in width, difficult to quantify since not many vehicles were present
3	181	73	40%	Fiesta Island Youth Camp and Aquatic Center parking lot
4	120 - 250	9	4% - 8%	Parking areas vary in width, difficult to quantify since not many vehicles were present
5	1,000 - 2,000	0	0% - 0%	Majority of parking fenced off for OTL. Estimated parking supply with 75-125 spaces between poles
6	60 - 90	26	29% - 43%	Majority of parked vehicles were parked on side of road for OTL practice
7	150 - 300	26	9% - 17%	Majority of parked vehicles near jet ski launch area
TOTAL	1,776 - 3,351	193	6% - 11%	

Notes:
 * Parking survey was conducted by GHK staff on July 19, 2006 during the p.m. peak period.
 * Upper single row was organized parking, rows deep along the road edge.

Based on this data I see no reason for more parking

More parking = more cars = bad news

Pave parking

Parking doesn't appear to be much of a problem

Parking is fine now

Fiesta is a place for outdoor people who don't mind a little dirt with their peace and quiet.

Parking Area 5

Parking Area 4

Parking Area 3

Even out the road and parking lot. Grading needed.

Over the Line Supplemental Parking

We don't need black top parking keep natural

Parking Area 6

Put lights shining onto water ski course

Water ski

No swim

Parking Area 7

Parking Area 2

Keep parking simple- some needed organization

Beaches become a parking lot what are you proposing?

We have never had trouble parking

Parking is adequate but not monitored

Get cars off the road, let us cycle

How about encouraging parking off the island?

Long term: Trolley service to Mission Bay

Short term: Frequent shuttle service from remote parking to Mission Bay

Parking Area 1
